## MOUNTAIN & SOUL

Start your journey with a local *ecological wine* waiting for you in your room, selected by one of our expert sommeliers. After a short break, work your mental harmony and calm with a local *yoga* instructor and let the world's worries fade. Rejuvenate your body with a *stimulating massage* at our state-of-the-art spa facilities (additional charge). Enjoy the mountains before dinner at Bruna Restaurant, where our chef will prepare a *healthy dinner* with locally sourced ingredients intended to nourish the soul.

## ANDORRA VIBES

Discover the magic of Andorra, its gastronomic and agricultural tradition through an *exclusive trip* to see one of the most recognized *beekeepers* in the area. Let the beekeeper guide you through the process of making artisanal honey, how it is transmitted through generations, and how they create such a high quality product, culminating in a *honey & cheese tasting* made by farmers and selected by our executive chef. Finally, we will leave you in one of the most beautiful places in the area to enjoy a *gourmet picnic* while you contemplate the majesty of the Andorran mountains. When you are ready to return to the hotel, let us pick you up and take you back for a well-deserved rest and relaxation.

## ANDORRA LOVE

Get lost with your partner in the spectacular views of the emerald green mountains of Andorra and enjoy a *relaxing massage* for both of you in our *spa*. Let us pamper you and take care of all the details so you can focus on that special person and the romantic getaway you deserve. After the spa, our team will have prepared a *special decoration* in your room with rose petals, bath salts and a bottle of champagne. Finally, dine by candlelight and savor our *tasting menu* designed by our chef especially for this occasion.
